

Nominee Bio's for the Merrymount Board

Pam Rock

My husband Brian and I have been full-time residents of Merrymount for nine years. I've been on the Merrymount board as a director for three years and as president of the board for three months. I have also enjoyed being on the social committee for four years and the audit committee for five years. Currently, I am managing the Merrymount Road Side Clean Up.

Before moving to Merrymount, I worked in northern Virginia as an office manager in a physician's practice for over 20 years.

This is a great neighborhood and I would like to help any way I can.

Thank you!

Ann Thompson

My husband Craig and I have been full-time residents of Merrymount for six years. I've been active on the social committee for a few years and I've been the Merrymount Treasurer since 2021 and have attended all the board meetings and have successfully passed all of the audits. I also attend the board meetings, which helps to understand our covenants, how the board manages, and our business calendar.

I am a retired RN after 45 years of hospital nursing. I look forward to taking my experience and joining the Merrymount board and helping the community thrive.
