

Wilma Poole Bio

I am submitting my name for the 2021-2022 election for a three-year term on the Merrymount board of directors.

I have lived here since 2009, and have previously served on the board as chair for a term of one-year.

I have also been on the ARC as chair for over five years. We have been working on corrections and updates on the covenants and guidelines for two years. I have been instrumental in streamlining our application process and communicating with the community.

I have served on the social committee and was chair of the Halloween fall festival for three years.

I feel members of the board should be familiar with the by-laws, covenants, and ARC guidelines. Part of the board's responsibility is to help ensure Merrymount's rules are communicated and followed by everyone in the community and maintain a welcoming environment for the POA.

I appreciate your consideration and your support.

Respectfully,

Wilma Poole
